**HUMANIST & SECULARIST
LIBERAL DEMOCRATS**

Who we are

Humanist & Secularist Liberal Democrats is for all Liberal Democrats, of all faiths and none, who seek an end to privilege and discrimination based on religion or belief and a humane approach to public ethical issues.

We are an Associated Organisation within the party, and are affiliated to both the Humanists UK (previously the BHA) and the National Secular Society.

What we believe in

- ✓ A free, fair and equal society for all, regardless of religious or non-religious belief
- ✓ A state that does not identify itself and its citizens with any one religion
- ✓ Freedom of belief, and the right to manifest that belief in ways that do not impose it on others or restrict the freedom of belief of others
- ✓ That what unites us as liberals is stronger than our differences of belief

www.hslld.org.uk

What we do

- ✓ Promote humanism and secularism within the party by contributing towards party policy and debate
- ✓ Initiate and promote campaigns on humanist and secularist issues
- ✓ Promote the Liberal Democrats within the humanist and secularist movements
- ✓ Ensure a voice for party members who do not have a religious belief
